The purpose of this case study assignment is to guide you through the process of constructing essential project management documents, developing a comprehensive communication plan, and creating a stakeholder analysis matrix, all aimed at successfully leading the Kitchen Heaven Project.

- *View the "Quality Template," found in the Class Resources. If the "Quality Template" notes a group or person needs information, they are stakeholders.*
- *Reread the "Kitchen Heaven Project Case Study." in Chapters 2 and 3 as needed in PMP: Project Management Professional Exam Study Guide, found in the topic Resources.*

Part 1: Communication Plan Template

In this section of the assignment, you will complete the "Communication Plan Template." The requirements are as follows:

1. *Identify all the stakeholders and resources that are noted within the case.*
2. *Identify at least two additional stakeholders or resources that are not explicitly mentioned in the case but could potentially impact the project and include them in the Communication Plan Template.*

Reference the "Communication Plan Template Example."

Part 2: Stakeholder Analysis Matrix

Complete the "Stakeholder Analysis Matrix" using the stakeholders identified in the Communication Plan Template.
Reference the "Stakeholder Analysis Matrix Example."

General Requirements

APA style is not required, but solid academic writing is expected.

This assignment uses a rubric. Please review the rubric prior to beginning the assignment to become familiar with the expectations for successful completion.

You are required to submit this assignment to LopesWrite. A link to the LopesWrite technical support articles is located in Class Resources if you need assistance.
